Assistant Commissioner for Patents  
Washington, D.C. 20231

3424 Woodcliff Road  
Sherman Oaks, CA 91403  
September 13, 2001

Commissioner:

Prior to examination, please amend the above-identified application as follows:

**In the Abstract:**

Please amend the abstract to read as follows.

A | "Automated search technique for discovering patent-relevant publications on the Internet. A search client resident on an end-user station initiates linked searches for patent language and Web documents in a manner non-transparent to a user. From the user's perspective, a patent-identifying attribute, such as an inventor name, assignee name or patent
